

Nashville's Music City

February 28 — March 4, 2019

This trip features two one night stays in Georgia with dinners and a variety of beverages and liquors included for those two nights. We also spend two nights in the Country Music Capital of the world "Nashville". Here we will be staying at the amazing Gaylord Opryland Resort. Our first night in Nashville we will visit the Grand Ole Opry, where country music was made famous. The Opry features dynamic music from new stars, and legends of country music. The next day we will tour the Music City on our motor coach with a professional local guide, after which you will have some free time to do a little touring on your own. Later that evening we will visit the Nashville Nightlife Dinner Theatre where you will experience the classics you love, and some of the latest hits from Country's biggest stars. On our way back from Nashville, we visit Rock City. Rock City is located on Lookout Mountain. It is a true marvel of nature featuring massive ancient rock formations, gardens with over 400 native plant species, and breathtaking "See 7 States" panoramic views.
